KD-1 - Ships with jacket, flue collector/heat exchanger, and base in separate cartons. Jacket crating would be as noted in KD-2.

KD-2 - Ships with jacket, flue collector, tubes, burner, stack, lower tube rail, and base in separate cartons as noted below.

| | Contents | Wgt. (lbs) | LxWxH |
|----------|---------------------|------------|----------|
| Crate #1 | Flue Coll, Burner | 1334 | 91x51x31 |
| Crate #2 | Jacket | 995 | 91x51x32 |
| Crate #3 | Tubes | 406 | 51x32x37 |
| Crate #4 | Base, Pan, Lwr Rail | 927 | 99x43x43 |

KD-3 - Configured to suit job application (this would be anything that isn't described above)

For example: Flue Collector/Heat Exchanger without the tubes installed but shipped assembled.
